

Nursery Rhyme Prompt Cards

Dear Parent

This resource has been created for you to enjoy with your little one. Please print and laminate the A4 cards and use the links below to put the Youtube video for each song if you would like. It is important to note that you are the most important tool when it comes to language development for your child. Be as animated, excited and engaged for them. Use tone, facial expression and gestures to make this time fun and beneficial. Encourage your child to imitate your actions and if they don't do so immediately, do not be discouraged – be consistent and patient and it will happen! Please feel free to reach out should you have any questions.

Happy Singing!
